

## PlayStation®Camera

### Instruction Manual

CUH-ZEY1

7023325

Compatible with PlayStation®4 system

The PlayStation®Camera is for use with the PlayStation®4 system to capture video and audio content for gameplay and applications.

### Precautions

Before using this product, carefully read this manual and any manuals for compatible hardware. Retain instructions for future reference.

#### Safety

- Keep this product out of the reach of small children. Small children may swallow small parts or may wrap the cables around themselves, which may inflict injury or cause an accident or a malfunction.
- Do not touch the product with wet hands.
- Never disassemble or modify the product.
- Check that there is no dust or foreign object on the connectors when connecting cables.
- Do not allow liquid or small particles to get into the product.
- Do not expose the product to dust, smoke or steam.
- Do not expose the product to high temperatures, high humidity or direct sunlight.

#### Use and handling

- Do not let any other metal items come into contact with the connectors.
- Do not place any objects on top of the product. Do not stand on the product.
- Do not throw or drop the product, or otherwise expose it to strong physical impact.
- Do not place the product on surfaces that are unstable, tilted or subject to vibration.
- Do not allow the product to come into contact with liquids.
- Follow the instructions below to help prevent the product exterior from deteriorating or becoming discoloured.
  - Wipe with a soft, dry cloth.
  - Do not place any rubber or vinyl materials on the product exterior for an extended period of time.
  - Do not use solvents or other chemicals. Do not wipe with a chemically treated cleaning cloth.

### Connecting and installing

Remove the protective film from the camera, and then place the camera at the front and centre of the TV.

To the AUX port on the PlayStation®4 system

### Hints

- If the camera is not recognised by the PS4™ system, disconnect the camera cable, and then reconnect it. If the camera is still not recognised, turn off the PS4™ system, and then turn it on again.
- If the dual lenses of the PS Camera become dirty, wipe them with a soft cloth.
- You can adjust the angle of the PS Camera up and down.
