

PS3 PSVITA

## **Wireless stereo headset 2.0**

Safety Guide

### **WARNING**

To prevent possible hearing damage, do not listen at high volume levels for long periods.

## **Safety and precautions**

Carefully read the information in this instruction manual and on the package before using this product. Also read the instructions for the PlayStation®4, PlayStation®3 and PlayStation®Vita. Retain all documentation for future reference.

For more detailed instructions about the use of this product, see: [eu.playstation.com/support](http://eu.playstation.com/support)

### **Safety**

- Observe all warnings, precautions and instructions.
- **CHOKING HAZARD** – Contains small parts. Keep out of the reach of small children.
- Stop using the system immediately if you begin to feel tired or if you experience discomfort or pain in your head while operating the wireless stereo headset 2.0. If the condition persists, consult a doctor.
- Avoid prolonged use of the wireless stereo headset 2.0. Take a break at about 15-minute intervals.
- Permanent hearing loss may occur if the headset is used at high volume. Set the volume to a safe level.  
Over time, increasingly loud audio may start to sound normal but can actually be damaging to your hearing.  
If you experience ringing in your ears or muffled speech, stop listening and have your hearing checked.  
The louder the volume, the sooner your hearing could be affected. To protect your hearing:
  - Limit the amount of time you use the headset at high volume.
  - Avoid raising the volume to block out noisy surroundings.
  - Lower the volume if you can't hear people speaking near you.
- If you feel that the headset is irritating your skin, stop using it immediately.

### **Use and handling**

- Do not throw or drop the headset or subject it to strong physical shock.
- Use a soft, dry cloth to clean the headset. Do not use solvents or other chemicals. Do not wipe with a chemically treated cleaning cloth.
- Do not disassemble or insert anything into the headset because this may cause damage to the internal components or cause injury to you.

- Observe all signs and instructions that require an electrical device or radio product to be switched off in designated areas, such as gas/refuelling stations, hospitals, blasting areas, potentially explosive atmospheres or aircraft.
- The battery used in this device may present a risk of fire or chemical burn if mistreated. Do not disassemble, heat above 60°C, or incinerate.

## **Storage conditions**

- Do not expose the headset to high temperatures, high humidity or direct sunlight.
- Do not put heavy objects on the headset.
- Do not allow liquid or small particles to get into the headset.
- Do not place any rubber or vinyl materials on the headset exterior for an extended period of time.

## **NOTE:**

This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the distance between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The wireless stereo headset 2.0 brings dynamic sound to your entertainment experience. Please note, wireless products may be affected by the presence of other wireless devices in the general vicinity. If you experience any unexpected performance with your wireless stereo headset 2.0 please contact us before returning it to your retailer. ## Specifications

<b>Power source</b>	DC 3.7 V: Built-in lithium-ion rechargeable battery
<b>Battery capacity</b>	570 mAh
<b>Operating environment temperature</b>	5°C - 35°C
<b>Dimensions (w/h/d)</b>	Wireless stereo headset 2.0: Approx. 178.3 x 191.5 x 48 mm Wireless adaptor: Approx. 17.4 x 8.4 x 36.1 mm
<b>Weight</b>	Wireless stereo headset 2.0: Approx. 295.4 g Wireless adaptor: Approx. 5.3 g
<b>Communication system</b>	2.4 GHz RF
<b>Maximum communication range</b>	Approx. 12 m* <sup>1</sup>
<b>Use time when fully charged</b>	8.0 hours at mid volume level* <sup>2</sup>
<b>Contents</b>	Wireless stereo headset 2.0 (1) Wireless adaptor (1) Pouch (1) Audio cable 3.5 mm (1) USB cable (1) Printed materials (1 set)

\*<sup>1</sup> Actual communication range varies depending on factors such as obstacles between the headset and wireless adaptor, magnetic fields from electronics (such as a microwave oven), static electricity, antenna performance, and the operating system and software applications in use. Depending on the operating environment, reception may be interrupted.

\*<sup>2</sup> Actual use time varies depending on factors such as the battery charge and ambient temperature.

Design and specifications are subject to change without notice.

Commercial use and rental of this product are prohibited.

## GUARANTEE

This product is covered for 12 months from date of purchase by the manufacturer's guarantee. Please refer to the guarantee supplied in the PS4™, PS3™ or PS Vita package for full details.

---

This product is manufactured for Sony Computer Entertainment Europe Ltd, 10 Great Marlborough Street, London, W1F 7LP, United Kingdom.

Imported into Europe and Distributed by Sony Computer Entertainment Europe Ltd, 10 Great Marlborough Street, London, W1F 7LP, United Kingdom.

The Authorised Representative for issuing and holding Declarations of Conformity is Sony Computer Entertainment Europe Ltd, 10 Great Marlborough Street, London, W1F 7LP, United Kingdom.

The date of manufacture is specified on the product packaging or the nameplate near the P/D indication in the following format: P/D: MM.YYYY, where MM - month, YYYY - year of manufacturing.

Made in China.

Where you see either symbol on any of our electrical products, batteries or packaging, it indicates that the relevant electrical product or battery should not be disposed of as general household waste in Europe and Turkey. To ensure the correct waste treatment of the product and battery, please dispose of them in accordance with any applicable local laws or requirements for disposal of electrical equipment/batteries. In so doing, you will help to conserve natural resources and improve standards of environmental protection in treatment and disposal of electrical waste.

This symbol may be used on batteries in combination with additional chemical symbols. The chemical symbols for mercury (Hg) or lead (Pb) will appear if the battery contains more than 0.0005% mercury or more than 0.004% lead.

This product contains a battery which is permanently built-in for safety, performance or data integrity reasons. The battery should not need to be replaced during the lifetime of the product and should only be removed by skilled service personnel. To ensure the correct waste treatment of the battery, please dispose of this product as electrical waste.
