Before using this product, carefully read this manual and retain it for future reference. Read also the instructions for the PlayStation Vita system.

Use and handling

For use only with the PS Vita system.

Multifunctional case is a perfect fit for the PlayStation Vita system

Access all the controls, including the rear touch pad, while the case remains attached to the PS Vita system

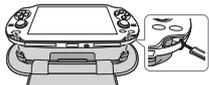

Case can be used as a stand

How to Attach/Detach the Case

Attaching the Case

Hint

If this product is used while the wrist strap is attached to the PS Vita system, hold the strap aside when you attach the case holder.

Adjust the position of the strap holder of the PS Vita system and the clips of the case holder, and press down the system until it clicks.

Detaching the Case

Caution

When removing the case, do not use excessive force

Press down clips on both left and right ends.

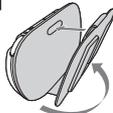

Using as a stand

1

After the PS Vita system is attached to the holder, insert the holder tab into the loop. Insert the holder as illustrated, straight into the loop.

2

Attach the belt to the back of the case.

3

Pull out the stand.
