

SONY®

PS VITA™

PlayStation®Vita

**Travel pouch** Instruction Manual

PCH-ZTP1

## Compatible hardware: PlayStation®Vita system

Carefully read the information on this package together with the instructions for your hardware before using this product.

### Precautions

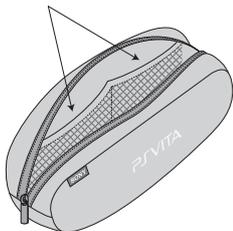

- Turn off the power or put the PS Vita system in standby mode before inserting the PS Vita system into the pouch. Otherwise, it can overheat and damage the system.
- Please be careful not to catch the analog sticks on the zipper when inserting the PS Vita system into the pouch.
- Travel pouch protects the PS Vita system from scratches and dirt. The pouch is not designed to protect the system from strong physical impact.

### Use and handling

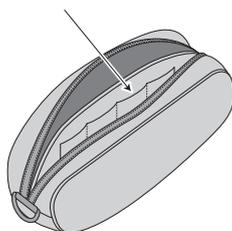

Multifunctional pouch is a perfect fit for the PlayStation®Vita system

Inside pockets can contain accessories such as headphones and a cloth

Includes slot pockets to contain PlayStation®Vita cards

PS Vita system and accessories are sold separately

### How to clean the pouch

- To clean the travel pouch, soak a soft cloth in water and a small amount of detergent, and then squeeze off excess. Use the cloth to carefully wipe off dirt. Do not dry the pouch in direct sunlight.
- Do not use solvents or other chemicals. Do not wipe with a chemically-treated cleaning cloth.
- Hand wash the cloth with detergent. Do not dry the cloth in direct sunlight.

Design and specifications are subject to change without notice.
